

# EXIT PROTOCOL

**Check-out is usually between 9 and 10 a.m. with our concierge.**

We hire a housekeeper to launder household linen as well as prepare and thoroughly clean the accommodation between each rental.

We prefer to give you the choice regarding cleaning by not billing it automatically.

It is optional for **€165**.

**If you do not wish to take the cleaning option**, here is a complete checklist which will help you return the accommodation to us in the condition in which you found it upon arrival.

**If you wish to take the cleaning option**, the accommodation must be left in a decent condition and respectful of the cleaning lady.

## YOU HAVE NOT TAKEN THE HOUSEWORK OPTION
